20th October 2017

Headteacher's Message

I can't believe how fast this half term has gone! The Harvest assembly was lovely and there were so many helpful donations given. The Salvation Army and The Foodbank will be collecting your donations very soon. Thank you all for being so generous and we wish you all a lovely half term. We look forward to seeing you all on Tuesday 31st October.

Breakfast Club and Afterschool Club

If you would like your child to attend Breakfast Club and/or After School Club from 31st October, you will need to have completed one of our new Booking Forms. These are available from the office. Can I also remind you that you will now need to pay and book in advance.

Halloween Fun

There are lots of fun activities locally over the half term and I am sure that many of the children will enjoy going out 'Trick or Treating' in the local neighbourhood. Please be safe. Knock at the doors of people you know and take an adult with you.

New Building

The public consultation on Tuesday for the new building was really positive. Please feedback any comments and let me know if you have any further questions. It is really exciting to be part of such huge changes for the school.

Pupil Target Sheets

You should receive your pupil target sheets this week. This should help you to support your child with their learning and ensure that our children know what they are working towards. We would love to know what you think of these.

Water Bottles

We will be providing every child with a water bottle. The bottles will need to be washed and returned to school, filled with water each day. This should be more hygienic and easier to manage in the classrooms.

Have a lovely half term.

Best wishes

Mrs Sarah Cullen
