

PARNWELL NEWS

Message from the Head teacher:

It's been lovely to see everyone back in school looking so smart, please keep wrapping up warm during this really cold spell of weather. It was wonderful to see all the children last week fully enjoying the workshops Richard the Story Teller provided. He captivated the children with his storytelling, and we are thrilled he will come to visit us again in March.

Parking:

If you travel to school by car, can we remind you to park considerately when dropping off/collecting your children and to be polite to the local business owners and residents. Thank you.

Uniform:

Please can you label your child's uniform with their name and class. We can then ensure any lost property is returned to the owner promptly.

Appointments:

Please make sure appointments for your child are made outside of school hours or in the school holidays. Where this is not possible, please inform the school office of the appointment in advance and provide evidence.

Attendance:

The school would like to see all children aiming for 96% attendance or above. We monitor attendance on a regular basis and will contact parents if we have any concerns. If your child is absent from school because of illness, please either telephone the school office each morning or leave a message on ParentMail confirming the child's name, class and reason for absence. Failure to do so will affect your child's attendance record.

Attendance Congratulations

Classes with 96% and above

Red Nose Day:

In support of Comic Relief, Lime Academy Parnwell is asking everyone to wear red to school on Friday 15 March. Students do not need to wear uniform on this date, but we ask they wear a red item of clothing and kindly donate £1 to support Comic Relief.

Children's University:

Children's University is a national project which recognizes the achievements of young people who take part in learning activities outside of their school day. On Saturday 26th January from 10:00-14:00, they will be hosting a fun day of FREE activities for children aged 8-11. More information is available at www.ucp.ac.uk/cujan19 or by ringing 214466.
