

PARNWELL NEWS

Message from the Head teacher:

This week, all the children had an amazing opportunity to meet with Ian Rose, Torchbearer for the London 2012 Paralympic Games and a world-class Paralympic champion in Judo.

He spoke to all the children about resilience, how to be a good learner and how to keep persevering. The children were very motivated by Ian and responded well to his messages. He even brought in one of his Olympic Medals for the children to hold. What a fantastic experience this was for Parnwell School.

I'm very proud of the school football team who took part in a football tournament with other schools from across Peterborough. They played three 10 minute matches and all received a certificate for taking part. We are always looking for new members to join the team, so please contact the school office if you are interested.
