## Message from the Head teacher:

This week we have been learning about the devastating bush fires that are taking place in Australia. This has really moved our pupils and I am very proud the children have asked if we can raise money to help another community in a different part of the world. As such we will be organising a cake sale with all proceeds going to Red Cross Australia. Some of our Year 6 pupils were invited to take part in a Maths competition with 'Explore Learning'. They all had a great time taking part and we wait to hear the results of the competition. Everyone is looking really smart in their school uniform, but we remind you that children should be wearing plain black shoes and no trainers. They should also have a PE kit in school every day which consists of blue shorts, white t-shirt and a navy tracksuit. No cropped tops to be worn. Thank you.

## School Uniform Swap Shop:

Don't forget you can trade your unwanted school uniform at the Total Clothing Swap Shop before the 1<sup>st</sup> February and you will be given a token to spend in their swap event on the 1<sup>st</sup> February. Telephone 394758 for more information

## Year 6 Leavers Hoodies

We have the opportunity to order leavers hoodies for our year 6 children with Total Clothing. If you are interested in purchasing one for your child, please let the school office know.

## Lateness

This week there were 77 children who arrived late to school, which amounted to over 20 hours of learning time lost. If your child is late, they miss out on valuable learning time, which will have an impact on their education. Please make sure your child is at school for 08:50 every day.
